## Church Leader decrys Hayseeds

*Michael Carpenter*

Pastor Glenn Boone of the Church of Renewed Light in West Nashville has called for all local Nashvillians to deny service to all individuals connected to the production of the upcoming reality show.

"They are engaged in promoting the damned," said Pastor Boone in a rally on Tuesday, "and they shall reap the whirlwind of righteous condemnation."

The religious leader has been a central figure at recent neighborhood meetings that are concerned over the possible negative portrayal of Nashville in the TLC series. The show will air starting in June, along with Honey Boo Boo.

"I just think it is horrible how the media portrays the south," said Edith Knopes, another attendee at the neighborhood meetings. "We are a center of culture and hospitality, and Hollywood portrays us only as ignorant trash. It is a sorry state of affairs, and I would be happy to be rid of such nonsense in our home state."

TLC did not comment on the Pastor's statements as of press time.

## STREET RUMORS

These are loose rumors that have popped up between the last game and now. Your Storyteller is not to be trusted: some rumors listed here may be false or dead ends. Suggested rolls for downtime actions are given following some rumors, but feel free to use anything you want. What you roll determines the type of information, and the number of successes determines the amount of information.

There's a bunch of people who claim to have seen a whole regiment of soldiers march across I-65 toward the Science Museum. Strange thing is, it was at three o'clock in the morning!

My wife just up and left. I asked her where she was going, and she said she would save our kids, and we would all die. I've called the police, but they think she was just drunk or high. Something terrible has happened, and nobody wants to help!

*Hayseeds* is causing a ruckus among the crazy crowd. There are increasing protests, websites and local meetings about it. (*Presence+Socialize, Intelligence+Computer*)

Those new ghost tours are awesome. They moved south, out of downtown.

Those missing kids are probably up to no good. They were running around claiming to have seen Bloody Mary in the mirror. (*Wits+Investigation*)

My late grandfather, a WWII vet, was in my garage. He said to leave Nashville because a battle was coming soon. I didn't believe in ghosts before, but something is going on. (*Presence+Socialize*)

**Harpy rumors are in effect: Figure out who the Harpies are, and grill them for rumors!**

Some of the Mekhet are meeting to discuss some kind of issue that faces the city. It's probably just how they will be handling the arriving Seven. Run away like bitches, likely.

Now that Vampire Killer, Werewolf Killer and Zombie Killer bullets have appeared in local gun stores, they are selling. Boxes of the shells come with targets depicting Paula Deen in a Klan robe. They are selling very well among some demographics. (*Wits+Investigation*)

### FEEDING RESISTANCE: 3

Do a hunting draw, subtract the above from your pool. Success: start full. Failure: start down four or twice your blood potency, whichever is larger. You may run a feeding scene to "top off".
