## Weekly Weird Report

*Jack Bean*

In the upcoming weeks there is to be an interfaith meeting between the new Imam Faraj al-Hassan in Antioch and the upcoming firebrand preacher Joseph Bonnke, a man who I've written about previously. While this is an unconventional meeting both of these men seem to have something special about them that sets them apart from the rest of their peers. Whether it's natural charisma or tap here for a bonus beat these two men have managed to cultivate flocks with more devotion than what most religious figures can gather in their careers. Religious freedom is something we value as Brave Americans, I do have to question how Neither of them can answer how their Individual cults of personality Seem to Have grown in a short, Explosive period. I will Reserve judgment until the end of the Summit, but I still am curious about their motives.

Ceana MacKinnon is in town. I really hope I'm chosen to get a free reading with her. Maybe she can tell me how to talk to my Spirit Guide (Wits+Investigation, Manipulation+Socialize)

The Hog was last sighted in the woods of Nolensville. Coulda sworn someone was following it. Maybe they killed that sumbitch. (Wits+Survival, Wits+Investigation)

A firebrand preacher and a Muslim cleric walk into a bar... (Manipulation+Socialize, Wits+Investigation)

The city can't even keep vandals out of our unopened libraries? Is this what our tax dollars are going toward?

There's something weird going on at Meharry Hospital. Can't quite put my finger on it though. (Wits+Investigation, Wits+Medicine)

The Free Council's being awfully quiet about that hog. Didn't they have a chantry in Nolensville years ago? (Int+Academics+Free Council status or Wits+Occult)

The Free Council is actively seeking new members from among the sleepwalkers. If they can wake them up maybe we can start taking back what's ours.

Jack needs to be careful. I get that being an apostate that he can do things, but he's really pushing some boundaries. Publishing in a public newspaper? What else could he be up to?

## RECENTLY...

A Cabal of the City's mages rescued a captured member of the Adamantine Arrow. While she seemed to be mostly unharmed and seemed to have resisted attempts to compromise her mind she did mention a disturbing fact – someone had warned the Seers that the rescuers were on their way.
