STREET RUMORS

These are loose rumors that have popped up between the last game and now. Your Storyteller is not to be trusted: some rumors listed here may be false or dead ends. Suggested rolls for downtime actions are given following some rumors, but feel free to use anything you want. What you roll determines the type of information, and the number of successes determines the amount of information.

Don't forget to read the newspaper for the PUBLIC news to look into!

Laura brought a snake home. I *know* – other kids bring home violin trophies, and mine brings home a freaking amphibian! She's failing math, but she talks to that thing like it will answer her.

Did you see the shark downtown? They say they occasionally come up this far, but it was *huge*, and it watched everybody on Korean Vets Bridge like it was counting us.

Downtown is like a whole 'nother place when the fog rolls in. Especially around Printer's Alley. I swear I was down there and there were people in fedoras carrying those gansta guns. No, not like the gats, like those Tommy boy guns. It's all weird up in this place, I tell you.

I have hauled Tanə out of that school, as she came home talking about there being a bunch of gods and they were fighting and all sorts of nonsense. I explained to her that we're Jewish atheists: there is only one god, and we don't believe in Him.

THE CACOPHONY

You may ask questions and get clarification about threads within the Cacophony by actively using it: "The Cacophony is not a spectator sport. You can't just consume; you must create. If your character does not regularly contribute news and gossip to the Cacophony, she falls out of touch." By putting messages out into the City, you may also receive them. Certain merits may also be used.

The stamp is gone, as we can see, using ethereal psychometric analysis. But how it left and why is a curious question.

The Homeless and Lost are no longer the prey for vampires. Do not feed.

What lurks in the heart of the Prince? It reminds me of Rome, as the Julii reached to extinguish the sun.

THE CATHEDRAL

Once a pagan temple on the fields near the Parthenon, the Hidden Cathedral of the Burning Heart now appears in the dreams of all who have Faith (Lancea Sanctum Status 1 or higher). The entrance to the Hidden Cathedral is remembered in dream, but vanishes, tantalizing the faithful, who are unable to recall the new location when they wake. Perhaps a tribute to God is needed...

TONIGHT

Tonight, you become one of the Kindred, the beautiful and the damned who hide behind our ordinary world. Driven by a hunger like fire, you will struggle to maintain your humanity while immersed in a vicious society of monsters.

BE BOLD: TELL YOUR STORY

FEEDING RESISTANCE: ??

Do a hunting draw, subtract the above from your pool. Success: start full. Failure: start down five or twice your blood potency, whichever is larger. You may run a feeding scene to "top off".
